Remote control reader

DAT8026-EN
Remote control reader
802-002-1400

Remote control reader

Technical data	
Supply voltage	14.4 VDC +/- 10%
Current consumption	150mA
Antenna	SMA connector on board
Operating RF frequency	433MHz
Operating temperature	0 °C to 40 °C
RS485	Supports Modbus protocol
Housing	
Unit dimensions	W: 91mm x L: 72mm x H: 62mm (35mm DIN-rail)
Housing material	self-extinguishing blend PC ABS
Color	Grey
Weight	150g
Standards and certificates	CE
Installation	Installation of the equipment must be done by a professional electrician on restricted access location.
Warranty	2 years
