ANCHOR padlocks for SensoLock® oval cylinder mounting*

ANCHOR padlocks

*The SensoLock® electronic cylinder and oval cylinder house need to be purchased separately.

ANCHOR Padlocks	
2283005	
Specifications	ANCHOR Padlock 830-3 B28 with safety class 3 in hardened steel with chrome surface. For Scandinavian oval cylinder body. For indoor fitting.
Dimensions	Inner shackle height 28mm Shackle 11mm diameter
2283030	
Specifications	ANCHOR Padlock 830-3 B28 WP safety class 3 in hardened steel with chrome surface. For Scandinavian oval cylinder body. For outdoor fitting**
Dimensions	Inner schackle height 28mm Schackle 11mm diameter
2283055	
Specifications	ANCHOR Padlock 830-3 B28 WP with safety class 3 in hardened steel with chrome surface. For Scandinavian oval cylinder body. For indoor fitting.
Dimensions	Inner shackle height 50mm Shackle 11mm diameter
2283050	
Specifications	ANCHOR Padlock 830-3 B50 WP with safety class 3 in hardened steel with chrome surface. For Scandinavian oval cylinder body For outdoor fitting**
Dimensions	Inner shackle height 50mm Shackle 11mm diameter
2280139	
Specifications	ANCHOR Padlock 802-2 B25 WP with safety class 2 in hardened steel with chrome surface. For Scandinavian oval cylinder body For outdoor fitting**
Dimensions	Inner shackle height 25mm Shackle 8mm diameter
2280169	
Specifications	ANCHOR Padlock 802-2 B60 WP safety class 2 in hardened steel with chrome surface. For Scandinavian oval cylinder body For outdoor fitting**
Dimensions	Inner schackle height 60mm Schackle 8mm diameter

** available with a weather-resistant surface treatment, as well as O-rings, in order to avoid water ingress

2280184	
Specifications	ANCHOR Padlock 802-2 B110 WP with safety class 2 in hardened steel with chrome surface. For Scandinavian oval cylinder body For outdoor fitting**
Dimensions	Inner shackle height 110mm Shackle 8mm diameter

**available with a weather-resistant surface treatment, as well as O-rings, in order to avoid water ingress

SensoLock® MIFARE offline	
716-002-0000	
Specifications	SensoLock®66 MIFARE offline lock cylinder (716-002-0000) for outdoor use with 3 LED for signalling, 2 units. CR-2 Lithium batteries.
Dimensions	IP66/45mm diameter

701-000-1000	
Specifications	Scandinavian oval cylinder house made in chrome plated brass.

Add-ons	
2150213	
Specifications	ANCHOR Padlock chain in stainless steel for 8mm shackle. Wall mounting.
Dimensions	Chain diameter: 4mm Chain length: 400mm

2150212	
Specifications	ANCHOR Padlock chain in stainless steel for 11mm shackle Wall mounting.
Dimensions	Chain diameter: 4mm Chain length: 400mm

701-000-1011	
Specifications	Vandal-resistant shield for the padlock made in PA6G30 polycarbonate with 2 shells and 4 oneway bolts and 4 safety nuts
Dimensions	B90 x H80
